Add media

Please choose a high-quality image that is less than 2 MB in size. The image will automatically be resized to 2000 x 600 pixels. Ensure the focal point is selected correctly to keep the important part of the image.

6. Click save in the bottom of the page
7. Final pic after adding a child page to the service.

Update on intakes and wait lists

Our child and adult individual therapy waitlists are currently closed for this year, we are accepting referrals for April next year.

We are now accepting referrals for Term 1, 2025 Emotion Detective Group.

The screenshot shows a web application interface with a dark header bar containing the text "superuser" and "Devel". Below the header is a navigation bar with icons and labels for "Structure", "Appearance", "Extend", "Configuration", "People", "Reports", and "Help". The main content area displays several service tiles. The "Cognitive Assessment Services" tile is highlighted with a red circle. The tiles include:

- psychologists who are supervised by**: clinical psychologists who are fully registered with the Psychology Board of Australia. [Learn more](#)
- and therapy for adults and children**: / families. [Learn more](#)
- adults and children, addressing emotions, body acceptance, and anxiety.** [Learn more](#)
- Appointments & Fees**: Information about opening hours, referrals and fees. [Learn more](#)
- Privacy & confidentiality**: Privacy policy for management of personal information. [Learn more](#)
- Cognitive Assessment Services**: The clinic provides cognitive and academic assessments for adults and children with concerns about learning. [Learn more](#)
